【授業の概要と目的（何を学ぶか）】

This course is designed to develop language skills necessary for students to express themselves in English. The emphasis is on oral communication, and we will practice listening and speaking skills. Students will also practice writing paragraphs and short essays. Students will participate in a variety of activities that involves all four skills of reading, writing, listening and speaking.

【到達目標】

Students will develop their skills to effectively express their opinions, knowledge and experience both orally and in written form. Drawing attention to the basic paragraph structure (e.g. topic sentence, supporting sentences and concluding sentence), student will be required to learn how to write a logically organized paragraph, and then write a short essay with multiple paragraphs.
